

**TRUST THE ENVIRONMENTAL EXPERTS AT  
SAFETY-KLEEN TO MAKE YOUR BY-PRODUCT  
WASTE GO AWAY.**

Improper disposal of a variety of non-compliant waste and byproducts found in steel mill facilities can run you afoul of regulatory oversight. Don't take chances. Trust the environmental experts at Safety-Kleen. We can handle all your containerized waste and used oil recovery, parts washing machines and service, and liquid vacuum services needs. We can also deliver quality Performance Plus® oil and lubricants, as well as absorbent products and wipes – direct to your shop floor. Talk to a Safety-Kleen representative today.

Steel Mills

# Products and Services that can keep your operation clean and compliant.
