

America's Choice®

GL-5 Gear Oil

America's Choice® GL-5 Gear Oil is a premium multi-purpose gear oil formulated to minimize gear friction, reduce corrosion and prevent the formation of sludge. It meets or exceeds API GL-5, Mack GO-G/GO-H performance standards for all vehicles and heavy-duty equipment differentials, final drives, gearboxes or manual transmissions.

Safety-Kleen's closed loop re-refining process takes used oil and re-refines it into an exceptional quality base oil that is combined with premium additives to create a high performing re-refined oil. Re-refining oils is an infinitely better way to protect our environment and economy by reducing heavy metal emissions, greenhouse gases and our dependence on foreign oil.

Safety-Kleen, the world's leader in re-refining technology, re-refines **America's Choice®** base oils at our two state-of-the-art re-refineries in East Chicago, Indiana and Breslau, Ontario.

TYPICAL PROPERTIES

<i>America's Choice®</i>	SAE	80W-90	85W-140
API Service		GL-5	GL-5
Specific Gravity			
@ 15.6 °C888	.910
Viscosity			
cSt @ 40 °C		150	380
cSt @ 100 °C.....		16.0	28.0
Viscosity Index		110	100
Brookfield Viscosity			
cP @ -26 °C		130,000	NA
cP @ -12 °C		NA	140,000
Flash Point, °C.....		214	230
Pour Point, °C		-30	-18
Color (ASTM)		5.0	6.5

Note: The values shown are representative of current production and may vary within modest ranges.
