

America's Choice®

Universal Tractor Fluid

America's Choice® Farm Universal Tractor Fluid is a premium transmission and differential hydraulic fluid with superior anti-wear properties that's ideal for most commonly used farm and construction equipment, off-road vehicles and industrial tractors. Meets or exceeds most manufacturer's standards.

Safety-Kleen's closed loop re-refining process takes used oil and re-refines it into an exceptional quality base oil that is combined with premium additives to create a high performing re-refined fluid. Re-refining fluid is an infinitely better way to protect our environment and economy by reducing heavy metal emissions, greenhouse gases and our dependence on foreign oil.

Safety-Kleen, the world's leader in re-refining technology, re-refines **America's Choice®** base oils at our two state-of-the-art re-refineries in East Chicago, Indiana and Breslau, Ontario.

TYPICAL PROPERTIES

America's Choice® Universal Tractor Fluid

Specific Gravity

@ 15.6 °C870

Viscosity

cSt @ 40 °C 59.3

cSt @ 100 °C..... 9.4

Viscosity Index 139

Flash Point, °C..... 210

Pour Point, °C -45

Color (ASTM) 3.0

Note: The values shown are representative of current production and may vary within modest ranges.
